

Springfield Urban League, Inc.

Empowerment Studio

Created to Engage and Empower Youth to Excel

The only studio in Springfield to provide one-on-one learning with a Certified Audio Engineer!

Youth will have an opportunity to earn audio engineering certification through Digi Design training courses conducted by Urban League Certified Engineers.

The studio will offer singer/songwriter artist development and music production using hands-on, in-studio activities. The students will focus on the following:

- Producing**
- Engineering**
- Mixing**
- Mastering**
- Instrument Performance**
