

JB Pritzker, Governor

Dulce M. Quintero, Secretary

Memorandum

To: WIC Coordinators

From: Stephanie Bess, M.S., R.D., LDN 
Associate Director, Office of Family Wellness

Subject: Food Package Changes: Infant Packages I & II Training Materials

Date: September 4, 2025

Modifications to the WIC Management Information System (MIS) related to the Federal Food Package Regulation changes of Infant Food Packages I & II are expected to be implemented October 1, 2025. The training materials listed below and attached, were developed to assist staff in understanding the changes and expected impacts to their daily work.

1. Policy and Infant Food Package Updates Training Slides Oct 2025
2. Policy and Infant Food Package Updates SSM Oct 2025
3. Standard Infant Food Packages Oct 2025
4. Changes to WIC Infant Foods Oct 2025

The recorded version of the training slides, Policy and Infant Food Package Updates was too large to send through email.
